

PLEASE BE PART

of creating a **SAFE** COMMUNITY SPACE

Sponsor a paver in the courtyard for \$180.

We are undertaking a project to revamp the rear of the Synagogue complex. While we have received federal government funding to build a security wall, we are taking the opportunity to make the space beyond, beautiful and functional.

With 325 pavers to lay, it's a chance for individuals and families to contribute.

SECURE YOUR PAVER
